

# Forester Avenue Street Party

## Saturday 19th May 2018

### From 3pm until 10pm

Celebrating **Harry and Meghan's Big Day?**

Celebrating the **arrival of summer?**

Or just want any excuse to celebrate with your **fab neighbours?**

Come along to our fun-filled street party.

There'll be games, music, and an ice cream van.

#### **All YOU have to do is:**

-  Bring your own chairs and tables and a picnic for you and yours
-  Decorate your table - anything goes!
-  Bring a black bag for clearing up afterwards
-  Read the very important small print below which covers hot topics like road safety, BBQs and a polite reminder to not leave your litter

## Here's the small print...

The party will take place between 3pm and 10pm in the section of Forester Avenue between the end of Rockliffe Road and Forester Road, which will be officially closed to vehicles during this time.

Please be aware that this is a family event in a residential area, and respect the privacy and property of residents, including leaving quietly at 9pm, not expecting access to homes and gardens in Forester Avenue e.g. to use toilets, and taking your litter home.

Importantly, there is no public liability insurance for this event. You are responsible for your own belongings, property and children at all times.

We will ask everyone to set up tables in the middle part of Forester Avenue leaving both ends of the road clear. In the event of an emergency, ensure your own families are safe, and evacuate to either end of Forester Avenue, keeping roadways clear.

Questions about this event?

Naomi (07817900525) or Sharon (07881 933580)

Hope to see you all you all on the 19th of May!
